CASTELLO

BELLA VITA

Tucked away in the tranquil African bushveld of Kranspoort Eco Estate,
Castello Bella Vita is a peaceful retreat where nature,
comfort and timeless beauty come together.

Surrounded by free-roaming wildlife, abundant birdlife and breathtaking bushveld vistas,
this charming holiday home offers a place to slow down,
reconnect and embrace the beauty of the outdoors.

Whether you're enjoying a quiet morning on the patio
or ending the day beneath a spectacular African sunset,
every moment invites rest and renewal.

Ideally situated near Loskop Dam and within easy reach of a variety of outdoor activities,
guests can enjoy mountain biking, hiking, fishing, bird watching,
game drives, boating, golf and disc golf,
all while experiencing the serenity of a malaria-free environment.

The home is fully solar-powered, supplied with excellent borehole water
and thoughtfully equipped to ensure a comfortable and relaxing stay.

In 2004, we had the privilege of purchasing a piece of land in Kranspoort,
where we built not only our dream home, but a place that has brought our family
immense joy over the years.

The beauty of the bushveld, its peaceful surroundings and the incredible wildlife
have always inspired and refreshed us, and it has long been our dream
to share this special place with others.

Whether you're here for adventure, rest or simply to escape the pace of everyday life,
we hope you'll experience the same sense of peace and wonder that first
captured our hearts.

Welcome to our little piece of paradise.
Warm regards,

Herman and Valda
